

WAIVER HOME OCCUPATIONS

This waiver is regarding home occupations. The City of Dickson Municipal Zoning Ordinance has regulations and guidelines that sets out a criteria that a home occupation must meet and uphold to qualify for a business license. The regulations are as follows:

- The home occupation must be contained within 25% livable floor space of the home.
- The business shall not have more that (1) non-resident employee.
- The business shall not cause or create a public nuisance.
- The business must be contained inside the 25% of the home. *(Outside storage of any kind is prohibited).*

Upon signing this, waiver one is advising that they understand and meet the requirements for a home occupation. Any variation of the set listed guidelines would result in a zoning-violation which could result in but not limited to penalties, violation citations, legal consequences, and the revocation of the business license.
