

City of Dickson Americans with Disabilities Policy

It shall be the policy of City of Dickson that all programs, services, and activities of the City are accessible, and that practical use by individuals with disabilities, regardless of whether they are residents or visitors, is not restricted or hindered in violation of standards relating to individuals with disabilities.

Disability is defined, with respect to an individual, as a physical or mental impairment that substantially limits one or more of the major life activities.

City of Dickson ADA Coordinator shall be responsible for

1. Working with department staff to ensure that all City of Dickson facilities, services, and programs are compliant with current ADA Standards.
2. Develop a transition plan for facilities, services, or programs that currently do not meet ADA Standards.
3. Insure that all future facilities, services, and programs meet current ADA Standards.
4. Evaluating and approving all request for accommodation.
5. Investigating all grievances against a City of Dickson facility, service, or program associated with ADA
6. Maintain all grievance investigation records against a City of Dickson facility, service, or program associated with ADA
